Wandle Park

Open Croydon
Croydon Destination Parks

Wandle Park, Croydon

The River Wandle was 'daylighted' from a culvert under the park with £3.5m lottery funds in 2012. At the same time new paths, seating, signage and interpretation were installed, bandstand restored, play area redesigned, including sand & sound play. The 1950s pavilion was upgraded to provide café, toilets and changing facilities. Free activities now include skate park, table tennis, ball court, trim trail and outdoor gym. Volunteer training supports events in the park, gardening & park maintenance activities.

Qualities

- People & Community 8
