Happy Christmas!

It's the last week of December and we are winding down for the holidays!

In the spirit of those round-robin letters that people like to send their friends and family at this time of year, we thought we'd share our own rundown of 2018 with you.

It's been another spectacular year for Frylands Wood and we are focusing on lots of exciting bits for the new year.

Sending our best wishes for a Very Merry Christmas and a Happy New Year.

Barry, Penny, Nick & Jason

Our Customers

We really value all our customers who visit us here at Frylands Wood. If you've been here for a camp, residential with a school, activity day, one of our events or courses, we've loved having you here and can't wait to see you again for your booking in the new year. If you'd like to leave us some feedback we'd really like to hear it. Please [click here](#)

The Crew

The Frylands Wood Crew is getting bigger and better. We now have a great team of volunteers who help run the campsite and are always looking to improve activities, visitors experiences and the fun that we offer the customers! They are also looking for fresh faces to join them so if you have a skill you could offer get in touch!
Thanks to these folk who help support to make Frylands Wood great!

We'd like to introduce Paul O'Brien. Paul is taking over as Chairperson of the Management Committee of Frylands Wood who will be supported by Alan Britchford as Vice Chairperson. Welcome to the team and we look forward to moving the campsite forward with you both.

What's next in 2019?

In 2019 Frylands Wood will celebrate it's 90th Birthday and preparations are already underway for special events for next year. We are looking to broaden the activities we can offer, bump up our staffing team, and deliver you a better package when you visit us. We are planning to do works to improve the campsite as a whole and offer you more.

We're following our aim which is to offer more outdoor activities and education experiences to young people.

But for now, we going back to sell out last few Christmas Trees which have been flying out.

From all of us at Frylands Wood, a very Merry Christmas and a happy, healthy and fulfilled New Year
