

The web hosting was due for renewal in early March 2019 at a significant cost (about £500) for a period of three years. As an interim solution, pending set up of our new website and a new hosting platform, the live site is currently located on the servers of the personal web hosting provider rented by Bob Sleeman. The Committee has discussed the options to pay for a commercial design and maintain contract or rely on our ASPRA Road Rep George Orlebar. George is well on the way to creating the new website.
