

Membership Secretary / Postmaster's Report

ASPRA has 1881 households within its' area. We have, in theory, now collected in all subs that will be coming. Figures by road on separate sheet.

Sad news is that there are still over 100 members from last year who have not renewed. Good news is that we have had 90 new joiners.

For those not renewed, email addresses will be removed from the circulation lists on 1st September.
