

Membership Secretary / Postmaster's Report

ASPRA has 1879 households within its' area. Currently we are in the middle of our subs season, renewals coming in, currently 254, 570 to go to match last year. Hopeful of more.

Postmaster

The GDPR changes have resulted in a loss of some email addresses, in particular where these have not been completed on the subs envelopes I have had to remove them from our records.

Usual mix of emails distributed as appropriate.
