## RIGHT CHOICE IN CROYDON

### WHAT'S THE BEST CHOICE FOR YOU?

Call **111** if you are unsure and need expert advice.

CALL  
**111**

Do you have a minor illness or injury such as a cough, cold, small cuts or bruises? Treat yourself at home with a well-stocked medicine cupboard and first aid materials

Do you need advice about your minor illness or injury? Think 'Pharmacy First' and visit your local pharmacy

Do you need advice fast but it's not an emergency? Call 111 for expert advice about where to go for medical help

Do you need care for an ongoing illness or injury that isn't life threatening? Call your local GP practice. If you need to see your GP out of hours call 111

Do you need urgent care without an appointment for an illness or condition that isn't life threatening? Visit a minor injuries unit, the GP walk-in service, or Urgent Care Centre. Details overleaf.

If you have a very serious or life threatening illness Dial 999, or go immediately to your nearest A&E department.
